

SIIPS in Africa 2025 Report Launch

AfricaNenda, in collaboration with its partners, is preparing to launch the State of Inclusive Instant Payment Systems (SIIPS) in Africa 2025 Report in Eswatini. This three-day event will bring together key stakeholders, including Central Bank Governors, IPS operators, policymakers, media representatives, and industry experts, to discuss advancements in inclusive instant payment systems across Africa.

The SIIPS in Africa 2025 Report launch will serve as a platform to present key insights from the report, foster dialogue on industry trends, and strengthen collaboration among ecosystem stakeholders. The event will also feature structured networking and interactive engagement sessions, providing attendees with meaningful opportunities to connect, share ideas, and cultivate new partnerships to drive collective impact.

Event date: November 12 to 14, 2025

Location: Ezulwini, Eswatini

Day 2: November 13, 2025
